

Logos University International (UniLogos) was formally incorporated in the State of Florida in 2015 and has since operated in accordance with the legal and regulatory framework applicable to non-public higher education institutions authorized to issue degrees of establishment, in full compliance with Title XLVIII, Chapter 1005, Part I, Section 1005.03 of the Florida Statutes. Within this legal structure, UniLogos has developed a strategic focus on transnational accreditation and cross-border academic articulation, operating with an emphasis on international quality assurance standards and institutional cooperation. This positioning has contributed to the consolidation of its reputation as a higher education institution engaged in global academic networks and committed to internationally oriented credential frameworks.

The **Accreditation Service for International Schools, Colleges and Universities (ASIC)** is an independent international educational quality assurance agency based in the United Kingdom, recognized for its rigorous accreditation processes applied to schools, colleges, universities, and education providers globally. It stands out for its official recognition by UK Visas and Immigration (UKVI), a British government agency that accredits it as an **Approved Private Sector Regulatory Body (PSRB)** for visa eligibility purposes, reinforcing its regulatory legitimacy. Additionally, ASIC is listed in the International Directory of the **Council for Higher Education Accreditation (CHEA) in the United States** and is a member of the CHEA International Quality Group, demonstrating its integration into one of the most relevant global ecosystems of quality in higher education. Its performance is further strengthened by strategic partnerships with prestigious international organizations, such as the **International Network for Quality Assurance Agencies in Higher Education (INQAAHE)**, the European Association for Quality Assurance in Higher Education, the European Distance and E-Learning Network, the British Quality Foundation, the United Nations Academic Impact, the International Schools Association, the European Council of International Schools, NAFSA: Association of International Educators, the Association of International Education Administrators, and the GUIDE Association, in addition to holding international

certifications such as ISO 9001 and ISO 14001, consolidating itself as an accreditation entity with a high reputation, strong institutional recognition, and broad integration into the main global networks for quality and internationalization of education.
